WHEREAS, further pursuant to SEQRA, by resolution adopted by the members of the Agency on March 17, 2015 (the "Final SEQR Resolution"), the Agency determined (A) to conduct an uncoordinated review of the Project and (B) that the Project is an "Unlisted action" which will not have a significant effect on the environment and, therefore, that an environmental impact statement is not required to be prepared with respect to the Project, and (C) as a consequence of the foregoing, to prepare a negative declaration with respect to the Project; and

WHEREAS, the Agency has given due consideration to the Application, and to representations by the Company that (A) the granting by the Agency of the Financial Assistance with respect to the Project will be an inducement to the Company to undertake the Project in Cattaraugus County, New York, (B) the completion of the Project will not result in the removal of a plant or facility of any proposed occupant of the Project Facility from one area of the State of New York to another area in the State of New York and will not result in the abandonment of one or more plants or facilities of any occupant of the Project Facility located in the State of New York, and (C) although the Project constitutes a project where facilities or property that are primarily used in making retail sales to customers who personally visit such facilities constitute more than one-third of the total project cost, the predominant purpose of the project would be to make available goods or services which would not, but for the project, be reasonably accessible to residents of the City of Olean, Cattaraugus County, New York, because of a lack of reasonably accessible retail trade facilities offering such goods or services; and

WHEREAS, the Agency desires to encourage the Company to preserve and advance the job opportunities, health, general prosperity and economic welfare of the people of County of Cattaraugus, New York by undertaking the Project in County of Cattaraugus, New York; and

WHEREAS, pursuant to Section 862(2)(b) of the Act, the Agency would be authorized to provide financial assistance in respect of the Project provided that the obligation of the Agency to proceed with the Project was subject to certain conditions, including (1) following compliance with the procedural requirements of Section 859-a of the Act, a finding by the Agency that the Project would preserve permanent, private sector jobs in the State of New York or increase the overall number of permanent, private sector jobs in the State of New York and (2) confirmation by the Chairman of the County Legislature of Cattaraugus County of the proposed action by the Agency with respect to the Project; and

WHEREAS, by resolution adopted by the members of the Agency on March 17, 2015 (the "Resolution Making Retail Findings"), the Agency (A) found that although the Project Facility appears to constitute a project where facilities or properties that are primarily used in making retail sales of goods or services to customers who personally visit such facilities may constitute more than one-third of the costs of the Project, the Agency is authorized to provide financial assistance in respect of the Project pursuant to Section 862(2)(a) of the Act because the predominant purpose of the Project would be to make available goods or services which would not, but for the Project, be reasonably accessible to residents of Cattaraugus County, New York, because of a lack of reasonably accessible retail trade facilities offering such goods or services, (B) determined, following a review of the Hearing Report, that the Project would serve the public purposes of the Act by increasing the overall number of permanent, private sector jobs in the State of New York, and (C) determined that the Agency would proceed with the Project and the granting of the

Financial Assistance; provided however, that no Financial Assistance would be provided to the Project by the Agency unless and until the Chairman of the County Legislature of Cattaraugus County, as chief executive officer of Cattaraugus County, New York, pursuant to Section 862(2)(c) of the Act, confirmed the proposed action of the Agency with respect to the Project; and

WHEREAS, pursuant to Section 862(2) of the Act, prior to providing the Financial Assistance to the Project, the Chairman of the County Legislature of Cattaraugus County, as chief executive officer of Cattaraugus County, New York, must confirm the proposed action of the Agency; and

WHEREAS, in order to consummate the Project and the granting of the Financial Assistance described in the notice of the Public Hearing, the Agency proposes to enter into the following documents (hereinafter collectively referred to as the "Agency Documents"): (A) a certain lease to agency (the "Lease to Agency" or the "Underlying Lease") by and between the Company, as landlord, and the Agency, as tenant, pursuant to which the Company will lease to the Agency a portion of the Land and all improvements now or hereafter located on said portion of the Land (collectively, the "Leased Premises"); (B) a certain license agreement (the "License to Agency" or the "License Agreement") by and between the Company, as licensor, and the Agency, as licensee, pursuant to which the Company will grant to the Agency (1) a license to enter upon the balance of the Land (the "Licensed Premises") for the purpose of undertaking and completing the Project and (2) in the event of an occurrence of an Event of Default by the Company, an additional license to enter upon the Licensed Premises for the purpose of pursuing its remedies under the Lease Agreement (as hereinafter defined); (C) a lease agreement (and a memorandum thereof) (the "Lease Agreement") by and between the Agency and the Company, pursuant to which, among other things, the Company agrees to undertake the Project as agent of the Agency and the Company further agrees to lease the Project Facility from the Agency and, as rental thereunder, to pay the Agency's administrative fee relating to the Project and to pay all expenses incurred by the Agency with respect to the Project; (D) a payment in lieu of tax agreement (the "Payment in Lieu of Tax Agreement") by and between the Agency and the Company, pursuant to which the Company will agree to pay certain payments in lieu of taxes with respect to the Project Facility; (E) a certain recapture agreement (the "Section 875 GML Recapture Agreement") by and between the Company and the Agency, required by the Act, regarding the recovery or recapture of certain sales and use taxes; (F) a sales tax exemption letter (the "Sales Tax Exemption Letter") to ensure the granting of the sales tax exemption which forms a part of the Financial Assistance; (G) a New York State Department of Taxation and Finance form entitled "IDA Appointment of Project Operator or Agency for Sales Tax Purposes" (the form required to be filed pursuant to Section 874(9) of the Act) (the "Thirty-Day Sales Tax Report") and any additional report to the Commissioner of the State Department of Taxation and Finance concerning the amount of sales tax exemption benefit for the Project (the "Additional Thirty-Day Project Report"); (H) if the Company intends to finance the Project with borrowed money, a mortgage and any other security documents and related documents (collectively, the "Mortgage") from the Agency and the Company to the Company's lender with respect to the Project ("the "Lender"), which Mortgage will grant a lien on and security interest in the Project Facility to secure a loan from the Lender to the Company with respect to the Project (the "Loan"); and (I) various certificates relating to the Project (the "Closing Documents");
