I. Eligibility Questionnaire - Applicant Background Information

Answer all questions. Use "None" or "Not Applicable" where necessary.

Applicant Information-company receiving benefit:
Applicant Name: Comparand Adventures ILC Applicant Address: 5811 Rt 16 City/Town: Hinsdale State: D? Zip: 14743 Phone: 7168618861 (cell) 716-333-5811 (Mcc) E-mail: 1960 compound adventures.com
B) Business Organization (check appropriate category):
Corporation Partnership Public Corporation Joint Venture Sole Proprietorship Limited Liability Company Other (specify)
Year Established: 202\ State in which Organization is established: \(\subseteq \) \(\supseteq \) \(\subseteq \) \(\supseteq \) \(\supsete
Name: Malgorata Kurtyko Title: owner (majanty owner) Address: 4 Talentook Ct City/Town: Longoster State: NT Zip: 14086 Phone: 716 861-8861 E-Mail: Malkurtyko Ogman 1. com
D) Company Contact (if different from individual completing application):
Name: Some as above Title: Address:
City/Town: State: Zip: Phone: E-Mail:
E) Company Counsel:
Name of Attorney: Andrew Stynson Firm Name: The www office of Andrew J Stynson Title: Address: 4536 Mars St Swite 201 City/Town: Anne St Swite 201 Phone: 16-995-4996E-Mail: a Stynson @ andrewstynsonlaw.com
F) Benefits Requested (select all that apply):
1. Exemption from Sales Tax 2. Exemption from Mortgage Tax 3. Exemption from Real Property Tax 4. Tax Exempt Financing * * (typically for not-for-profits & small qualified manufacturers)

C) Site Characteristics

Will the Project meet zoning/land use requirements at the proposed location? Yes or No
Describe the present zoning/land use: MHP Composed location? We yes or No If a change in zoning/land.
If a change in zoning/land use is required, provide details/status of any request for change of zoning/land use
requirements: N A
Has a project related site plan approval application been submitted to the appropriate planning department? Yes or No Besides building permit for the Rechall from Do. If Yes, include the applicable municipality's and/or planning department's approval resolution, the related State Environmental Quality Review Act ("SEQR") "negative declaration" resolution, if applicable, and the related Environmental Assessment Form (EAF), if applicable.
If No, list the CCIDA as, or ensure that the CCIDA is listed as, an "Involved Agency" on the related EAF that will be submitted to the appropriate municipality and/or planning department for site plan approval and provide to the EAF to the lead agency and to the CCIDA.
If No, because site plan approval is not otherwise required, complete and submit the EAF along with this Application to the CCIDA.
Is the proposed project located on a site where the known or potential presence of contaminants is complicating the development/use of the property? Yes or No If yes, explain: Has a Phase I Environmental Assessment been prepared or will one be prepared with respect to the proposed project site? Yes or No If yes, provide a copy.
D) Project Type
Select Project Type/Use for all end users at project site (you may check more than one)
Acquisition of Existing Facility Affordable/Workforce Housing Assisted Living Back Office Civic Facility (not for profit) Commercial Senior Housing Facility for Aging Industrial/Manufacturing Tourism Facility/Project Life Care Facility (CCRC) Market Rate Housing Mixed Use Multi-Tenant Renewable Energy Research/Design Retail Warehousing Other Other
Will customers personally visit the Project site for either of the following economic activities indicated below? If yes with respect to either economic activity indicated below, complete Section IV, Retail Questionnaire.
Retail Sales: Yes or No Services: Yes or No
*For purposes of this question, the term "retail sales" means (i) sales by a registered vendor under Article 28 of the New York Tax Law (the "Tax Law") primarily engaged in the retail sale of tangible personal property (as defined in Section 1101(b)(4)(i) of the Tax Law), or (ii) sales of a service to customers who personally visit the Project.

n / 2022

B) Project Description

Provide a narrative of the purpose of the proposed Project (new build, renovations, expansion), square footage of existing buildings (if any) and new construction contemplated and/or equipment purchases. Identify specific uses determining project eligibility. Describe any and all tenants and any/all end users: (This information is critical in Sec. 1997).	
Will the completion of the Project result in the removal of an industrial or manufacturing plant of the project occupant from one area of the state to another area of the state OR in the abandonment of one or more plants or facilities of the project occupant located within the state? Yes or No	
If the Proposed Project is located in a different municipality within New York State in which current operations are being undertaken, is it expected that any of the facilities in any other municipality will be closed or be subject to reduced activity? Yes or No Yes, you will need to complete Section V, The Inter-municipal Move Determination	
Is the project reasonably necessary to prevent the project occupant from moving out of New York State? Yes or No. If yes, explain and identify out-of-state locations investigated, type of assistance offered and what competitive factors led you to inquire about sites outside of New York State? Provide supporting documentation if available:	W/A
Have you contacted or been contacted by other Local, State and/or Federal Economic Development Agencies? Yes or No. If yes, indicate the Agency and nature of the inquiry below:	
Describe the reasons why the Agency's financial assistance is necessary, and the effect the Project will have on the Applicant's business or operations. Focus on competitiveness issues, project shortfalls, etc Your eligibility determination will be based in part on your answer (attach additional pages if necessary): Unexpected now cost of materials to had only flotten increased the cost of these pages from the cost of the series from the series where the had to come up up introduced for majority of the year at these was minimal income Confirm by checking the box, below, if there is likelihood that the Project would not be undertaken but for the ofinancial assistance provided by the Agency? Yes or No	8 20
If the Project could be undertaken without financial assistance provided by the Agency, then provide a statement in the space provided below indicating why the Project should be undertaken by the Agency: The project would to be more than double amount of time and the project due to shortage of funds a pismo cost trusting the provided as a statement in the space of the project and the project and the project what will be the impact on the Applicant and Cattaraugus County? The double of sould take the time at the project, what will be the impact on the Applicant and Cattaraugus County? The double of sould take of Tischera that is a strengthing a bounded in poverished area. Bay January 2022	to toild antly

G) Applicant Business Description:
Describe in detail company background, history, products and customers. Description is critical in determining eligibility: Family owned compared for over 50 years, We are 1000 to 10
For your operations, company, and proposed project, what percentage of your total annual supplies, raw materials and vendor services are purchased from firms in Cattaraugus County 70 %
Identify vendors within Cattaraugus County for major purchases: LED Electric IRR Sipply, Crobb O.1 Zuech's Environmental Services, Amish, Kellogg excavating,
II. Eligibility Questionnaire - Project Description & Details A) Project Location
Address of Proposed Project Facility: 5811 Rt 16 City/Town: 110566
Current Address (if different): Some as a bove
What are the current real estate taxes on the proposed Project site?
Are Real Property Taxes current at project location? Yes or No. If no, explain:
Does the Applicant or any related entity currently hold fee title have an option/contract to purchase the Project site? Yes or No If No, indicate name of present owner of the Project site:
Describe the present use of the proposed Project site (vacant land, existing building, etc.): Develop 8 uponale existing services, atructures Replace outdated electric service & contertions to prevent water leaks. Bring buildings & Jenices up to code >: aco friendly for the emiron ment.
Paul January 2022

Rev: January 2022

F) Job Retention and Job Creation	
Is the project necessary to expand project employment?	Yes or No
Is project necessary to retain existing employment?	Yes or No
Employment Plan (Specific to the proposed project l	pocation):

	Current # of jobs at proposed project location or to be relocated at project location		is granted – project the number of FT and PT jobs to be created upon 24 months (2 years) after Project completion	residents of the Labor Market Area in which
Full time (FT)	0	\	\	1
Part Time (PT)	Independent 2 contrac	160S 3	4	4
Total ***	2	4	5	5

^{**} The Labor Market Area includes the Counties of Cattaraugus, Erie, Allegany, Chautauqua and Wyoming. For purposes of this question, estimate the number of FT and PT jobs that will be filled, as indicated in the third column, by residents of the Labor Market Area, in the fourth column.

Salary and Fringe Benefits for Jobs to be Retained and Created:

etained and/or created	# of employees retained and/or created		Average fringe benefits for full time	for part time, if applicable	
Management	1	20-25			
Professional					
Administrative	1			15-17	
Production					
Independent Contractor	\			25	
Other Seasonal	2 .			15	

^{**} Note that the Agency may utilize the foregoing employment projections, among other items, to determine the financial assistance that will be offered by the Agency to the Applicant. The Applicant acknowledges that the transaction documents may include a covenant by the Applicant to retain the number of jobs and create the number of jobs with respect to the Project as set forth in this Application.

^{***} By statute, Agency staff must project the number of FT jobs that would be retained and created if the request for Financial Assistance is granted. Agency staff will project such jobs over the two-year time period following Project completion. Agency staff converts PT jobs into FT jobs by dividing the number of PT jobs by two (2).

Payroll Information:

Annual Payroll at proposed project site upon payroll as Estimated average annual salary of jobs to be	retained (full time)	50,000-6000 5 5
Estimated average appual salary of jobs to be	created (full time)	\$ 30,000
Estimated average annual salary of jobs to be Estimated salary range of jobs to be created	created (part time)	s 6,600

IV. Retail Questionnaire

To ensure compliance with Section 862 of the New York General Municipal Law, the Agency requires additional information if the proposed Project is one where customers personally visit the Project site to undertake either a retail sale transaction or to purchase services.

Answer the following:
A. Will any portion of the project (including that portion of the cost to be financed from equity or other sources) consist of facilities or property that are or will be primarily used in making sales of goods or services to customers who personally visit the project site?
Yes or No. If the answer is yes, continue below. If no, proceed to next section
For purposes of Question A, the term "retail sales" means (i) sales by a registered vendor under Article 28 of the Tax Law of the State of New York (the "Tax Law") primarily engaged in the retail sale of tangible personal property (as defined in Section 1101(b)(4)(i) of the Tax Law), or (ii) sales of a service to customers who personally visit the Project.
B. What percentage of the cost of the Project will be expended on such facilities or property primarily used in making sales of goods or services to customers who personally visit the project?
If the answer to A is Yes AND the answer to Question B is greater than 33.33%, indicate which of the following questions below apply to the project:
1. Will the project be operated by a not-for-profit corporation Yes or No.
2. Is the Project location or facility likely to attract a significant number of visitors from outside the economic development region (Cattaraugus, Erie, Allegany, Chautauqua and Wyoming counties) in which the project will be located? ☐ Yes or ☐ No
3. Is the predominant purpose of the project to make available goods or services which would not, but for the project, be reasonably accessible to the residents of the municipality within which the proposed project would be located because of a lack of reasonably accessible retail trade facilities offering such goods or services? Yes or No
 Will the project preserve permanent, private sector jobs or increase the overall number of permanent private sector jobs in the State of New York? ☐ Yes or ☐ No.
If yes, explain
5. Is the project located in a Highly Distressed Area? Yes or No

- R. The Applicant confirms and hereby acknowledges that as of the date of this Application, the Applicant is in substantial compliance with all provisions of Article 18-A of the New York General Municipal Law, including, but not limited to, the provision of Section 859-a and Section 862(1) of the New York General Municipal Law.
- S. The Applicant and the individual executing this Application on behalf of Applicant acknowledge that the Agency and its counsel will rely on the representations and covenants made in this Application when acting hereon and hereby represents that the statements made herein do not contain any untrue statement of a material fact and do not omit to state a material fact necessary to make the statements contained herein not misleading.

Subject: Assessment Form for Campground Adventures

Corev.

Thank you for taking your time to meet with me and discuss the Cattaraugus County IDA program yesterday. Information you provided is very valuable and it will definitely assist our campground with ongoing and future projects and improvements we are going to make.

This is a quick overview of Campground Adventures' current and future project for 2022-2023 season.

Upgrade electrical service and water lines:

Phase 1

Lower campground sites 99-148 went through water and electrical service upgrades. We had replaced water lines/connections, electrical wires (underground) to provide 20 Amp and 30 Amp service and installed new pedestals, COMPLETED

Phase 2

Installing 3 phase 800 Amp electrical panel (currently being built), connecting 3 transformers from National Grid utility pole to electrical panel, connecting

new power source to the service in the ground, installing meters for seasonal campers.

Phase 2 approximate cost is 50,000

Building Recreational Hall

Currently, we have a double wide pad (30' x 60') with electric, water and septic hookups. We will hire an engineer to draw up a plan to utilize the existing concrete pad to build on it. We will need to install a footer before any construction can be done. Metal structure with two barn doors, one man door and four windows. Approximate cost is 37,000

Build an Office

Amish build shed/structure to be converted to the office/store.

Approximate cost is 7,000

Build Community Kitchen

Improving and stabilizing current pavilion structures to build an outside kitchen with an outdoor eating area for guests to use and socialize.

Approximate cost is 7,000

Improving roads

Add gravel to an existing roads and creating new roads at the lower campground where roads never existed

Approximate cost is 4,000

Attached is the map of our campground. On the side I hand wrote a legend for the projects mentioned above.

Electrical service - the electric panel is going to be located between sites 136-137 closer to the road connecting National Grid transformers that are located on the utility pole on the opposite side of the Old Rt 16 road next to the pond.

Recreational Hall - double pad (with water, septic and electric) is located in the upper section of the Campground (currently it is just an open area)

Community Kitchen - is located next to the bathhouse where two pavilions are located.

Office - is going to be located at the entrance to the lower campground.

Roads - new road to the Recreational Hall and from site 108 to 99

Please let me know if you have any questions, suggestions or concerns regarding the projects mentioned above. Thank you for your help and time. I hope to hear from you soon.

Regards. Mal Kurtyko (owner) Campground Adventures 5811 Rt 16 Hinsdale, NY 14743 cell 716-861-8861 office 716-333-5811

Instructions for Completing

Part 1 - Project Information. The applicant or project sponsor is responsible for the completion of Part 1. Responses become part of the application for approval or funding, are subject to public review, and may be subject to further verification. Complete Part 1 based on information currently available. If additional research or investigation would be needed to fully respond to any item, please answer as thoroughly as possible based on current information.

Complete all items in Part 1. You may also provide any additional information which you believe will be needed by or useful to the lead agency; attach additional pages as necessary to supplement any item.

I AFFIRM THAT THE INFORMATION PROVIDED ABOVE IS TRUE AND ACCURATE TO THE KNOWLEDGE Applicant/sponsor name: Date: 10/26/2 Signature: KURTYKO Comportant Adventures (or		

Part 2 - Impact Assessment. The Lead Agency is responsible for the completion of Part 2. Answer all of the following questions in Part 2 using the information contained in Part 1 and other materials submitted by the project sponsor or otherwise available to the reviewer. When answering the questions the reviewer should be guided by the concept "Have my responses been reasonable considering the scale and context of the proposed action?"

		No, or small impact may occur	Moderate to large impact may occur
1.	Will the proposed action create a material conflict with an adopted land use plan or zoning regulations?		
2.	Will the proposed action result in a change in the use or intensity of use of land?		
3.	Will the proposed action impair the character or quality of the existing community?		
4.	Will the proposed action have an impact on the environmental characteristics that caused the establishment of a Critical Environmental Area (CEA)?		
5.	Will the proposed action result in an adverse change in the existing level of traffic or affect existing infrastructure for mass transit, biking or walkway?		
6.	Will the proposed action cause an increase in the use of energy and it fails to incorporate reasonably available energy conservation or renewable energy opportunities?		
7.	Will the proposed action impact existing: a. public / private water supplies?		
	b. public / private wastewater treatment utilities?	-	-
8.	architectural or aesthetic resources?		
9.	Will the proposed action result in an adverse change to natural resources (e.g., wetlands, waterbodies, groundwater, air quality, flora and fauna)?
