This correspondence is being provided to the Affected Tax Jurisdictions at least ten days, instead of 30 days, prior to the meeting of the members of the Agency at which the members of the Agency will consider whether the deviation as so requested.

On June 20, 2024, the Public Service Comissions issued an order approving of the compliance filings submitted by the Company in satisfaction of the Certificate Conditions.
11. The extent to which the proposed project will require the provision of additional services including, but not limited to, educational, transportation, emergency medical or police and fire services. The Project will have no impacts on such services, other than providing additional new revenues for same.
12. The extent to which the proposed project will provide additional sources of revenue for municipalities and school districts in which the project is located. The proposed Project will result in increased revenues including approximately \$20,774,251 in PILOT payments and Host Community Payments to the Town of Freedom and Farmersville in the approximate amounts of \$14,738,791 and \$7,664,265, respectively, over the 20-year term of their Host Community Agreements.
