B) Project Description

Provide a narrative of the purpose of the proposed Project (new build, renovations, expansion), square footage of existing buildings (if any) and new construction contemplated and/or equipment purchases. Identify specific uses occurring within the project. Describe any and all tenants and any/all end users: (This information is critical in determining project eligibility. Add an attachment if necessary.):

Conversion of the existing Telemark Motel from a value road side motel to a higher end boutique motel. Renovation and improvements to 12 motel rooms and two two bedroom suites. All new furnishing and finishes in each room with updated amenities to meet the needs of today's traveler. Reimagined outdoor space dedicated to Motel and complimenting our future Restaurant Partner.

Will the completion of the Project result in the removal of an industrial or manufacturing plant of the project occupant from one area of the state to another area of the state OR in the abandonment of one or more plants or facilities of the project occupant located within the state? Yes or No

If the Proposed Project is located in a different municipality within New York State in which current operations are being undertaken, is it expected that any of the facilities in any other municipality will be closed or be subject to reduced activity? Yes or No. If Yes, you will need to complete Section V, *The Inter-municipal Move Determination*

Is the project reasonably necessary to prevent the project occupant from moving out of New York State? Yes or No. If yes, explain and identify out-of-state locations investigated, type of assistance offered and what competitive factors led you to inquire about sites outside of New York State? Provide supporting documentation if available: _____

Have you contacted or been contacted by other Local, State and/or Federal Economic Development Agencies? Yes or No. If yes, indicate the Agency and nature of the inquiry below: _____

Describe the reasons why the Agency's financial assistance is necessary, and the effect the Project will have on the Applicant's business or operations. Focus on competitiveness issues, project shortfalls, etc... Your eligibility determination will be based in part on your answer (attach additional pages if necessary):

The Financial Assistance will allow us to infuse more into the improvements of this important property. Hospitality is a sector that banks are hesitant to lend against. This has forced us to tie up much of our funds into the acquisition costs. Repositioning funds to the original improvement budget will allow us to be much more competitive and provide a much better product for our customers.

Confirm by checking the box, below, if there is likelihood that the Project would not be undertaken but for the financial assistance provided by the Agency? Yes or No

If the Project could be undertaken without financial assistance provided by the Agency, then provide a statement in the space provided below indicating why the Project should be undertaken by the Agency:

Due to trouble securing financing for the purchase much of our saved funds for rehab is going toward the down payment. This change to our financials has challenged our rehab budget and limited our initial plans/timeline. This assistance would allow us to do more improvements to this important property.

If the Applicant is unable to obtain financial assistance for the Project, what will be the impact on the Applicant and Cattaraugus County? The improvements and rehab will not be as extensive.

C) Site Characteristics

Will the Project meet zoning/land use requirements at the proposed location? Yes or No

Describe the present zoning/land use: commercial - bar-hospitality

If No, list the CCIDA as, or ensure that the CCIDA is listed as, an "Involved Agency" on the related EAF that will be submitted to the appropriate municipality and/or planning department for site plan approval and provide to the EAF to the lead agency and to the CCIDA.

If No, because site plan approval is not otherwise required, complete and submit the EAF along with this Application to the CCIDA.
