not, but for the Project, be reasonably accessible to residents of the Town of Hinsdale because of a lack of reasonably accessible retail trade facilities offering such goods or services; or (3) the Project is located in a "highly distressed area" as such term is defined in Section 854(18) of the Act, and, in addition, find that the undertaking of the Project will serve the public purposes of the Act by preserving permanent, private sector jobs or increase the overall number of permanent, private sector jobs in the State; and thereafter obtain the approval of the chief executive officer of the County of Cattaraugus, New York, confirming the Agency's finding; and

WHEREAS, pursuant to Article 18-A of the Act, the Agency desires to adopt a resolution describing the Project and the Financial Assistance that the Agency is contemplating with respect to the Project.

NOW, THEREFORE, BE IT RESOLVED BY THE MEMBERS OF THE COUNTY OF CATTARAUGUS INDUSTRIAL DEVELOPMENT AGENCY AS FOLLOWS:

Section 1. The Company has presented an application in a form acceptable to the Agency. Based upon the representations made by the Company to the Agency in the Company's application and any other correspondence submitted by the Company to the Agency, public hearing comments, if any, and Agency board member review of and recommendations related to the Project and its resolution to approve the Project subject to the terms and conditions as described herein, the Agency board member review of the Project's cost benefit ratio, the costs of incentives so applied for, the anticipated new tax revenues to be generated by the Project, as well as the Project's contemplated community benefits, and Agency board member review, discussion, and consideration of same, the Agency hereby finds and determines that:

(A) By virtue of the Act, the Agency has been vested with all powers necessary and convenient to carry out and effectuate the purposes and provisions of the Act and to exercise all powers granted to it under the Act; and

(B) It is desirable and in the public interest for the Agency to appoint the Company as its agent for purposes of acquiring, constructing and/or renovating and equipping the Project; and

(C) The Agency has the authority to take the actions contemplated herein under the Act; and

(D) The action to be taken by the Agency will induce the Company to develop the Project, thereby increasing and/or retaining employment opportunities in Cattaraugus County, New York and otherwise furthering the purposes of the Agency as set forth in the Act; and

(E) The Project will not result in the removal of a civic, commercial, industrial, or manufacturing plant of the Company or any other proposed occupant of the Project from one area of the State of New York (the "State") to another area of the State or result in the abandonment of one or more plants or facilities of the Company or any other proposed occupant of the Project located within the State; and the Agency hereby finds that, based on the Company's application, to the extent occupants are relocating from one plant or facility to another, the Project is reasonably necessary to discourage the Project occupants from removing such other plant or facility to a location outside the State and/or is reasonably necessary to

preserve the competitive position of the Project occupants in their respective industries, and, to the extent occupants are relocating from one plant or facility to another in another area of the State, the Agency has complied with the Intermunicipal Movement procedures as required in the Countywide Industrial Development Agency Uniform Tax Exemption Policy; and

(F) The Agency has assessed all material information included in connection with the Application necessary to afford a reasonable basis for the decision by the Agency to provide Financial Assistance for the Project as described herein; and

(G) The Agency has prepared a written cost-benefit analysis satisfactorily identifying the extent to which the Project will create or retain permanent, private sector jobs, the estimated value of any tax exemption to be provided, the amount of private sector investment generated or likely to be generated by the Project, the likelihood of accomplishing the Project in a timely fashion, and the extent to which the Project will provide additional sources of revenue for municipalities and school districts, and any other public benefits that might occur as a result of the Project; and

(H) The Company has provided a written statement confirming that the Project as of the date of the Application is in substantial compliance with all provisions the Act.

(I) The Project involves an "Unlisted Action" as said term is defined pursuant to 6 N.Y.C.R.R. Section 617.2(al) of the SEQR regulations. The Agency has conducted an uncoordinated review of the Project pursuant to 6 N.Y.C.R.R. Section 617.6(b)(4)(i). Based upon a comprehensive and thorough review by the Agency of the EAF and related documents delivered by the Company to the Agency, the criteria set forth in 6 N.Y.C.R.R. Section 617.7 of the SEQR regulations, and the additional representations made by the Company to the Agency in connection with the Project, the Agency hereby finds that the Project will not have a potential significant adverse environmental impact warranting the preparation of an environmental impact statement. The Agency thus issues a "negative declaration" as that term is defined pursuant 6 N.Y.C.R.R. Section 617.2(z); and

(J) The Project is contiguous with a "highly distressed area" as such term is defined in Section 854(18) of the Act and therefore qualifies for Financial Assistance under Section 862(2)(b)(ii) of the Act. The Agency hereby finds that, as required under Section 862(2)(c) of the Act, that the undertaking of the Project will serve the public purpose of the Act by preserving permanent, private sector jobs or increasing the overall number of permanent, private sector jobs in New York State. In compliance with Section 862(2)(c) of the Act, prior to providing Financial Assistance to the project, the Chief Executive Officer of the County of Cattaraugus shall provide written confirmation confirming that the Project will serve the public purpose of the Act by preserving permanent private sector jobs or increasing the overall number of permanent, private sector jobs in the State of New York.

(K) The Project qualifies for Agency Financial Assistance as it meets the Agency's general uniform criteria for project evaluation, said criteria established by New York State and the Agency as required under General Municipal Law Section 859-a(5) as evidenced by the following:

- (i) Extent to which the Project will create or retain jobs: The Project will create 1 FTE employee position and 1 PTE employee positions.
- (ii) The estimated total value of Financial Assistance is approximately \$64,119 over the 10-year real property tax abatement benefit period.
- (iii) The estimated amount of private sector investment to be made by the Company is \$325,000.
- (iv) Likelihood of the Project being accomplished in a timely fashion: There is a high likelihood that the Project will be completed in a timely manner, by April 2023.
- (v) Extent of new revenue provided to local taxing jurisdictions: By maintaining storage for RVs and other storage facilities, it is expected that the Project will continue to attract visitors to the Facility and to the Town of West Valley resulting in maintenance of and new and increased sales tax revenues.
- (vi) The extent to which the Project will create local construction jobs. The Company will utilize local construction contractors to the extent, if at all, required.

Section 2. The Agency hereby authorizes the undertaking of the Project and the provision of the Financial Assistance to the Company as described herein.

Section 3. Subject to the Company executing an Agent Agreement and the delivery to the Agency of a binder, certificate or other evidence of insurance for the Project satisfactory to the Agency, the Agency hereby authorizes the Company to proceed with the acquisition, construction and equipping of the Project and hereby appoints the Company as the true and lawful agent of the Agency: (i) to acquire, construct and/or renovate and equip the Project; (ii) to make, execute, acknowledge and deliver any contracts, orders, receipts, writings and instructions, as the stated agent for the Agency with the authority to delegate such agency, in whole or in part, to agents, subagents, contractors, and subcontractors of such agents and subagents and to such other parties as the Company chooses; and (iii) in general, to do all things which may be requisite or proper for completing the Project, all with the same powers and the same validity that the Agency could do if acting in its own behalf; provided, however, the appointment of the Company as agent of the Agency, if utilized, shall expire one year from the date of this resolution (unless extended for good cause by the Chair, the Vice Chair, and/or the Executive Director).

A. Financial Assistance. With respect to the foregoing, and based upon the representations and warranties made by the Company in its application for Financial Assistance, the Agency hereby:

- (i) authorizes and approves the Company, as its agent, to make purchases of goods and services relating to the Project and that would otherwise be subject to New York State and local sales and use tax in an amount estimated up to \$300,000, and,

therefore, the value of the sales and use tax exemption benefits ("sales and use tax exemption benefits") authorized and approved by the Agency cannot exceed \$24,000, however, the Agency may consider any requests by the Company for increases to the amount of sales and use tax exemption benefits authorized by the Agency upon being provided with appropriate documentation detailing the additional purchases of property or services; and

(ii) authorizes and approves that the value of the mortgage recording tax exemption benefit ("mortgage recording tax exemption benefits") shall not exceed \$3,437.00; and

(iii) authorizes and approves that the real property tax abatement benefits ("PILOT benefits") to be provided over the term of the PILOT Agreement are estimated to be approximately \$36,682 resulting in estimated total PILOT payments of \$76,720 over the term of the PILOT Agreement.

B. Terms and Conditions of Financial Assistance. Pursuant to Section 875(3) of the New York General Municipal Law, and per the policies of the Agency, the Agency may recover or recapture from the Company, its agents, consultants, subcontractors, or any other party authorized to make purchases for the benefit of the Project, any New York State and local sales and use tax exemption benefits, and/or mortgage recording tax exemption benefits, and/or partial abatements from real property taxes benefits taken or purported to be taken by the Company, its agents, consultants, subcontractors, or any other party authorized to make purchases for the benefit of the Project, if it is determined that: (i) the Company, its agents, consultants, subcontractors, or any other party authorized to make purchases for the benefit of the Project, is not entitled to the New York State and local sales and use tax exemption benefits; (ii) the New York State and local sales and use tax exemption benefits are in excess of the amounts authorized to be taken by the Company, its agents, consultants, subcontractors, or any other party authorized to make purchases for the benefit of the Project; (iii) the New York State and local sales and use tax exemption benefits are for property or services not authorized by the Agency as part of the Project; (iv) the Company has made a material false statement on its application for Financial Assistance; and/or (v) the New York State and local sales and use tax exemption benefits and/or mortgage recording tax exemption benefits, and/or the partial abatement from real property taxes benefits are taken in cases where the Company, its agents, consultants, subcontractors, or any other party authorized to make purchases for the benefit of the Project, fails to comply with the Investment Commitment, the Employment Commitment, and/or the Construction Jobs and Local Labor Commitment, said commitments, as described below, being a material term or condition to use property or services in the manner approved by the Agency in connection with the Project.

As a condition precedent of receiving Financial Assistance, the Company, its agents, consultants, subcontractors, or any other party authorized to make purchases for the benefit of the Project, must cooperate with the Agency in its efforts to recover or recapture any Financial Assistance, and promptly pay over any such amounts to the Agency that the Agency demands.

C. Commitments. As an additional condition precedent of receiving Financial Assistance, and as a material term or condition as approved by the Agency in connection with

the Project, the Company covenants and agrees and understands that it must, subject to potential modification, termination and/or recapture of Financial Assistance for failure to meet and maintain the commitments and thresholds as described below, submit, on an annual basis or as otherwise indicated below through the termination of the PILOT Agreement, a certification, as so required by the Agency, confirming:

- (i) Investment Commitment - the total investment actually made with respect to the Project at the time of Project completion equals or exceeds \$325,000, being the total project cost as stated in the Company's application for Financial Assistance.
- (ii) Employment Commitment – that there are at least 1 existing full time equivalent (“FTE”) and 1 existing part-time equivalent (“PTE”) employees located at, or to be located at, the Facility as stated in the Company's application for Financial Assistance (the “Baseline FTE”); and
 - the number of current FTE employees in the then current year at the Facility; and
 - that within two (2) years of Project completion, the Company has maintained FTE employment at the Facility equal to 1 FTE employee and 1 PTE employee.

Section 4. Subject to the terms of this Inducement Resolution, the Chair, the Vice Chair, and/or the Executive Director, are hereby authorized, on behalf of the Agency, to negotiate, execute and deliver (A) an Agent Agreement, (B) the Lease Agreement whereby the Company leases the Project to the Agency, (C) the related Leaseback Agreement whereby the Agency leases the Project back to the Company, and (D) the PILOT Agreement and (E) related documents; provided, however, that (i) the rental payments under the Leaseback Agreement to the Company include payments of all costs incurred by the Agency arising out of or related to the Project and indemnification of the Agency by the Company for actions taken by the Company and/or claims arising out of or related to the Project; and (ii) the terms of the PILOT Agreement are consistent with the Agency's Uniform Tax Exemption Policy, or procedures for deviation have been complied with accordingly.

Section 5. Subject to the terms of this Inducement Resolution, the Chair, the Vice Chair, and/or the Executive Director, are hereby authorized, on behalf of the Agency, to negotiate, execute and deliver any mortgage, assignment of leases and rents, security agreement, UCC-1 Financing Statements and all documents reasonably contemplated by these resolutions or required by any lender identified by the Company (the “Lender”) up to a maximum principal amount necessary to undertake the Project, acquire the Facility and/or finance or refinance acquisition and Project costs or equipment and other personal property and related transactional costs (hereinafter, with the Lease Agreement, Leaseback Agreement, and related documents, collectively called the “Agency Documents”); and, where appropriate, the Secretary or the Assistant Secretary of the Agency is hereby authorized to affix the seal of the Agency to the Agency Documents and to attest the same, all with such changes, variations, omissions and insertions as the Chair, the Vice Chair, and/or the Executive Director of the Agency shall approve, the execution thereof by the Chair, the Vice Chair, and/or the Executive Director of the

Agency to constitute conclusive evidence of such approval; provided in all events recourse against the Agency is limited to the Agency's interest in the Project.

Section 6. The officers, employees and agents of the Agency are hereby authorized and directed for and in the name and on behalf of the Agency to do all acts and things required and to negotiate, execute and deliver all such certificates, instruments and documents, to pay all such fees, charges and expenses and to do all such further acts and things as may be necessary or, in the opinion of the officer, employee or agent acting, desirable and proper to effect the purposes of the foregoing resolutions and to cause compliance by the Agency with all of the terms, covenants and provisions of the documents executed for and on behalf of the Agency.

Section 7. The provision by the Agency of Financial Assistance with respect to the Project as described herein is subject to the Agency's policies.

Section 8. This resolution shall take effect immediately, and shall expire one (1) year from the date hereof unless extended for good cause by the Chair, the Vice Chair, and/or the Executive Director.
